- Minor: Spanish
- International Business Certificate
- Jerry M. Torrence Scholarship
- GPA: 3.6/4.0; Dean's List: Fall 2023-present

TECHNICAL SKILLS

- **Tools:** Excel, Access, Word, PowerPoint
- **Techniques:** Regression, Forecasting, Data Modeling, Data Visualization, Data Entry, Correlation, Time-Series
- **Course Highlights:** Foundations of Business Analytics, Operations Management, Risk Management and Insurance, Information Systems
- **Projects:** THE EFFECTS OF VARIOUS HEALTH CONDITIONS ON COUNTRIES' LIFE EXPECTANCIES – Performed regression analysis and correlation tests in Excel to identify how our independent variables impacted our dependent variable. Used the data to make a parsimonious model and visualized the data using scatterplots and heat maps.

WORK EXPERIENCE

Cookies and Dreams

April 2022 –Present

Baker/Shift Lead | Davenport, IA

- Developed leadership, teamwork and problem-solving skills while being a shift lead
- Proactively managed tasks and responsibilities, which required independence and self-motivation
- Analyzed and planned the production and distribution of products to ensure that items never ran out
- Documented sales, processed tips, and managed money at the beginning and end of every shift
- Led about three-four staff a shift and coordinated productive shifts

Old Navy

June 2021 – February 2022

Retail Assistant | Davenport, IA

- Helped customers find clothing that best suited their wants and needs
- Prioritized helping customers while also making sure tasks were finished in a timely manner
- Built interpersonal and communication skills while working with co-workers and helping customers
- I would on average see about fifty customers depending on the day

VOLUNTEER EXPERIENCE

Love Michael | Davenport, IA

Summer of 2022

- Helped spread awareness about kids with autism and raised donations
